Honor degrees to go to four

A noted local judge, a music educator, a historian and the head of the Michigan Tuberculosis Association will each receive honorary degrees at the 106th June commencement of Eastern Michigan University on June 13.

The recipients are James R. Breakey, Jr., of Ypsilanti, noted jurist and civic leader; Earl V. Moore of Ann Arbor, Dean of the University of Michigan's School of Music; Milo M. Quaife of Highland Park, distinguished historian; and Theodore J. Werle of Lansing, the tuberculosis association head.

The four men will be honored at the same time that more than 536 graduates and masters degree candidates will receive diplomas bearing, for the first time, the new title of Eastern Michigan University.

No formal commencement address will be delivered this year, according to a ruling of the President's Policy Council. Instead, Hilton Falahee, president of the Faculty Council, will make a short speech presenting the graduating class and Mrs. Willard L. Barbee of Wayne will respond for the seniors. Mrs. Barbee has the highest scholastic index, 3.97, of this year's graduating class.

Judge Breakey, a 1921 EMC graduate, taught music here at one time. He began law practice in 1929, and in 1942 was appointed judge of the 22nd judicial district of Washtenaw County Circuit Court. He still holds this post. Judge Breakey will receive an honorary Doctor of Laws degree.

Dean Moore began his musical training at the University of Michigan and studied abroad in Italy and England. In 1946, following several years of service in the University's music department, he was made Dean of the School of Music. He will be awarded an honorary Doctor of Laws degree.

Known as the dean of Michigan historians, Dr. Quaife has served as secretary and editor of the Burton Historical Collection of the Detroit Public Library. He is the author of a number of publications relating to the west and American history in general. These include "I Remember Detroit" and "This Is Detroit — 250 Years in Pictures." He will be awarded an honorary Doctor of Letters degree.

Theodore J. Werle currently holds the the title of executive secretary emeritus of the Michigan Tuberculosis Association, having served as secretary for 37 years. Under his guidance Michigan became the first state to

A ten dollar award will be made to the organization which best helps achieve the goals of Campus Clean-up Week, Bob Asperger, chairman of the event, announced this week.

Plans for the Tuesday, May 19, event are progressing rapidly, and only eight areas remain to be reserved by organizations.

Any individuals interested in helping may meet with the group at 1:30 p.m. May 19 at the front steps of the library. Tools will be furnished.

President Elliott's proclamation

I am very happy to cooperate with students and faculty by proclaiming Tuesday, May 19, as Campus Clean-Up Day, with Thursday, May 21, as an alternate in case of bad weather on May 19. I hope that all students and faculty will be able to cooperate in this very worthwhile project.

Tapping ceremony to honor new members of Adahi

Outstanding senior women will be designated for membership in Adahi on Thursday evening, May 19, at 7:30 on the mall during the local honorary group's annual tapping ceremony.

Adahi members will officiate at the ceremony, with the assistance of the W.R.A. color guard. On the previous evening, May 18, the group will serenade each of the women's residence halls, leaving a candle for each girl who will be tapped on Tuesday.

The senior women's honorary was founded on the campus three years ago under the auspices of the Women's League. It honors highly outstanding women with a cumulative average of 3.00 or higher who have excelled in leadership, service, and scholarship.

The new members are selected with the help of all the presidents of campus organizations and the faculty and administration of the college.

At the public tapping ceremony, other women members of the student body will be recognized for prominent contributions to EMC.

Present Adahi members include Elaine Anderson, Ruth Boyce, Diane Clark, Mrs. Alice Epple, Sharon Fleishman, Louise Fokens, Josie Johnson, Beverly Manning, and Ann Waldo.

Council hears Aurora report

New members of the EMC Student Council met for the first time Tuesday night and heard a grim-sounding report on the status of the **Aurora**, the college yearbook.

James M. Green, representing the Board in Control of Student Publications. and Mary Jane Miller and Gary Hall, **Aurora** editor and business manager, spoke at the meeting. All voiced concern over the general lack of student interest in the yearbook and coupled it with the announcement that no applications had been made for positions on next year's **Aurora** staff.

Mr. Green called upon Student Council to conduct a one-year re-evaluation of the year book to decide a policy concerning it. He said that the yearbook situation was not peculiar to EMC, since many other colleges were experiencing similar problems.

Charles Kennon was appointed to fill a vacancy on the Publications Board, and Lois Cannon received a re-appointment to the same post.

In other business, the Council elected Mary Jo Reynolds, recording secretary, Marge Zizzi, corresponding secretary and Bob Asperger, treasurer. Phil Gorak was appointed to the Athletic Board and Charles Kennon and Jerry Levin were named to the All Campus Social Committee.

The Council officially passed, with no dissenting votes, the proposed new judicial system to create a separate Men's judicial Board, a Women's Judicial Board and a new Student Court.

Student art show continuing through June 4

The second annual student art show opened with a reception Monday, May 11, and will remain open through Thursday, June 4 in the Art building's gallery.

Seventy-three students both art majors and non-art majors are being represented.

All media from ceramics to watercolors are included.

Catalogs made by members of the Art Guild which list the individual pieces are a valuable aid to browsers.

Student Council, publications hold banquets tonight

The EMC Student Council and staff members of college publications will hold separate banquets tonight in McKenny Hall.

Outgoing SC president Joe Rippetoe will officiate at the Council banquet which will honor former and new members of the Student Council and Student Court.

At the Publications banquet, well-known radio-TV commentator Guy Nunn will be the main speaker and announcements will be made of new publications staff members.

Editorially Speaking:

Fraternity hazing?

An oft-asked but seldom-answered question in the college community is "What's the reason behind fraternity hazing?"

With the passing of another Hell Week, the question bears repeating to those fraternities which practice hazing, if only to try to point out the irrational reasoning behind the continuation of such things.

Unfortunately, the same illogical excuses will probably be mouthed again by the average Greek-letter man: "I had to take it" or "You have to prove yourself if you want in."

Yet the fact is evident to others that only a person of very shallow character is capable of administering physical punishment to an individual one week, without cause, and calling him "brother" the next week. If the average Greek-letter man could practice a little introspection he'd probably come to the same conclusion — that his cherished "traditions" just don't fit in with the universal concepts of brotherhood and better understanding that he is trying to promote.

We aren't attacking fraternities and we aren't attacking pledge activities based solely on having a little fun. What we do object to is the pledge activities that so often border on brutal physical punishment. As a social organization, fraternities can play a valuable role.

We do not know what the official policy of the Eastern Michigan College administration is toward fraternity hazing and we don't know if the Interfraternity Council has adopted any rules governing this subject.

But we would hope, in the evident absence of self-control by some fraternities on this campus in regard to hazing activities, that the administration set a firm rule against this form of physical punishment and enforce it.

Publication of any notice in the Weekly Official Bulletin is to be considered official notification for all members of the college community. All persons are responsible for reading the bulletin each week.

The College Health Service will open at the new location on Monday, May 25, 1959.

There will be no routine medical services available on the campus during that closed period. In the case of emergency, Dr. Sirola should be contacted, and she will give instructions as to the referral of the patient.

Letters to the Editor

Graduation setup hit

To the Editor:

It was with a great deal of disappointment that the announcement in the Echo concerning an abbreviated program for commencement was read. Graduation is an important day in most students' lives and, although they may talk rather nonchalantly about it, the time is anticipated with eagerness. The parents, too, many of whom have sacrificed to put their son or daughter through college, deserve some formalized type of ceremony, including a **guest speaker.**

Acknowledgement of the student with the highest scholastic average is fine, but a few words, choice though they may be, is strictly high school stuff.

Finally, as seniors, we feel that if the Council advised the President's Policy Council not to have a guest speaker we seniors should have been asked our individual opinions and preferences. After all it is **our** graduation, not the Student Council's.

We, the undersigned, feel that a guest speaker of national repute would enhance this most important day in our lives; however, a speaker of little ability, mouthing platitudes, would, we agree, be better left off the program. Considering our new status as a university there is small reason why we cannot behave like one.

Letters of application should be addressed to the Board in Control of Student Publications, and may be taken to room 201 of Pierce Hall.

Passing Through

On second thought

One of the enjoyable privileges concerning freedom of religion, which is seldom given consideration, is that this freedom also gives us privileges of rejecting religion.

* * *

On selecting a mate for marriage purposes, I wonder whether the sacrificing of a person with keen mental capacity for a person with which sexual passion amounts to beauty will lead to a fruitful happiness.

* * *

Could it be that on occasion some students who habitually complain about receiving a C in a course when they expected a B, were not really even worthy of the C. This is a typical attitude many of us are guilty of, when we use the instructor as a scapegoat.

On observing the character qualities of people who firmly believe in an objective treatment of all subjects in discussion, we often discover that this same person presents his ideas in a highly emotional and bigoted manner.

* * *

In brief, it is very disappointing that the Board of Control of Intercollegiate Athletics is barring the Eastern Echo from attending its meetings. We can all hope that the majority of the faculty members on this campus have a deeper respect for one of the basic elements of democracy than has been illustrated by the faculty group represented on this board.

* * *

It seems ludicrous for some people to honor their parents on Mother's or Father's day. The intent and purpose of these special days are of a worthy and sincere nature. However, those who demonstrate a degree of warmth one day of the year while showing little care for their parents any other time only illustrate a form of hypocricy comparable to our commercialized Christian Christmas.

If one is honest and loving in any manner at all moments, both parents and children should discover a deeper and much stronger affection for each other.

HARMLESS POP-UPS were not characteristic of the Northern Illinois Huskies in their double win over the Hurons on Saturday.

Baseball team wins second game, but drops next two to Northern Ill.

Last Friday the diamond men of EMC picked up their first IIAC victory of the season against Northern Illinois by a score of 8-7. The following day they promply dropped both ends of a twin bill by the scores of 17-0 and 8-3.

In Friday's game Northern Illinois jumped off to a two run lead in the first inning and added another to gain a three run lead after two and one-half innings. The Hurons bounced back as they chalked up two runs as Don Mathews led the inning by being hit by a pitch. Bill Shelton struck out. Hal Duffield and John Murray followed with walks. Neil Otto picked up the first hit for the Hurons, driving in two runs to end the scoring. In the third inning a walk, a single, and a double by EMC knotted the score.

Northern Illinois added four runs on four hits in the fourth inning to end their scoring for the afternoon. Eastern Michigan's scoring famine lasted until the sixth when they erupted for three runs on two walks, a double, and a single after two walks. The Hurons scored again in the seventh to tie the score at 7-7. The winning thrust came in the last half of the ninth as Charlie Shonta got to first on an error by Northern shortstop, George Evans. Shonta then stole second base and scored the winning run on a double by Mathews for the second win of the season for the helpless Hurons.

On Saturday, the second game of the double header was reminiscent of the fate of the Detroit Tigers in earlier games this season. The green and white squad went to bat 22 times in seven innings and all they could show for it was one hit. Lou Maini got the lone hit for the Hurons; it was a double in the seventh inning. And thus Maini became the only man on the home team to reach second base in the game. The EMC squad also contributed four errors in their losing cause. Northern Illinois shelled three Huron pitchers for 17 hits in their 17-0 slaughter of Eastern.

The first game of the twin bill was not as embarassing for the home squad as the second game but the results were the same, another defeat for the Hurons. In this game EMC was downed 8-3. Northern picked up their eight runs on twelve hits and four Eastern errors. The three Huron runs came from five hits.

The Hurons will go after their second win tomorrow when they travel to Illinois Normal for a single game. Saturday they will again be entertained by the same team in a double header. Eastern's next home game will be against the University of Michigan on Tuesday, May 19.

Cindermen whip Chips 75-56; Jones, Jormakka, and Day star

Central Michigan's Chips were the victims of the EMC cindermen's vengence last Thursday, falling 75-56 at Mt. Pleasant.

Again, it was Hayes Jones who led the Hurons in capturing three first places. Most outstanding victory, however, was probably Doug Carroll's 1:56.9 in the 880 yard run.

Led by Maurl Jormakka's two first places, the distance runners did themselves proud by sweeping nine points in both the mile and two mile efforts. Generally speaking, the meet was quite a successful preparation for the IIAC meet, which is to be held on the Briggs Stadium track next weekend. Jim Robinson, though not quite up to his fourteen foot form, vaulted 13'6" in outdistancing his opponents. Jim also took a second in the 120 yard highs and a third in the 220 yard low hurdles.

A new face to Huron fandom, Al Koth, picked up eight points in helping pave the Eastern path to victory by taking first in the javlin and a second in the discus. In the shot put and discus, Al Day captured firsts to round out the EMC first place finishers.

Duffers top NIU, Wayne for fifth in last six trys

by Jerry Levin

Eastern's golfing Hurons grabbed off victories over Northern Illinois and Wayne State to advance their record to 7-4.

Cliff Zill led Eastern to a 10-5 victory over Northern with a 76. He and Norve Schock swept all three points from their opponents. Jensen bested Spinello 2-1, and Otto tied Bob Johnson at 1½ apiece. Northern gained their lone victory when Sisolak defeated captain Ed Meredith 2½-1½.

Warren Valley was the scene of the Wayne-Eastern contest. The Hurons rolled to a 13½-1½ win to repeat an earlier triumph over the same Tartar team. This time it was Norv Schock who took medal honors with a fine 73. Following close on his heels was Jensen who toured the course with a respectable 74. Ed Meredith avenged his defeat against Northern by shooting a 77 and thus joined Schock and Jensen all of whom blanked their opponents 3-0. Wayne gained points in losing matches against Zill and Otto. Zill shot a 78 to best Liddicoat 2½-½. Lloyd Otto had trouble getting off the tee and skidded to a 45 on the front nine. He found himself, however, and recovered beautifully by parring the final half with a 36. His opponent carded an 82, allowing Lloyd to claim victory 2-1. Interesting to note is the fact that when Schock claimed medal honors he became the sixth and final Huron to do so this season.

The Falcons of Bowling Green will invade Washtenaw Country Club on Friday to provide the final competition for our Hurons before the I.I.A.C. meet on the 22 and 23 of this month.

Class A and C track regionals held here for thirty-third straight year

EMC will be the honored host of the Class A and C high school regional track meet for the 33rd straight year this Saturday. A total of 31 Class A schools and 9 Class C schools are expected to participate with a grand total of 560 individual entrants.

Due to a recent redistricting, Pontiac Central will not be available to defend its Class A title. However, runner-up Inkster is back and is expected to be the strongest squad in its bracket here. In Class C, visions of a tight team race are quite certain with both defending champion Ypsilanti Roosevelt and runner-up East Jackson to be present.

The preliminaries will begin at 9:30 Saturday morning and the finals will start at 1:20 in the afternoon. There will be no admission charge.

"Buck" Weeber honored

On Sunday, May 17, Frank "Buck" Weeber, former three sport man at EMC during a college career which stretched from 1921-25 will be honored by the dedication of the new River Rouge High School gymnasium in his name. Weeber majored in Physical Education while at Eastern (then MSNC).

Upon his graduation from Eastern, Buck took the position of Director of Recreation and Physical Education in River Rouge. Weeber has held this position since 1926.

Netters win sixth straight; Central, Wayne victimized

The Eastern Michigan tennis squad swept its fifth and sixth consecutive wins via identical 5-4 triumphs over Central on Saturday and Wayne State on Tuesday. This brings the Huron record to 7 wins and 2 losses.

In the meet Saturday, four wins in the singles were the major factor in defeating the Chips of Central. Individual results were: Joe Seidl made a fine comeback against Sweeney 1-6, 6-3, 6-4; Bob Martian lost to Scribner 6-3, 6-2; Benny Brose was out-dueled by Darbee 6-4, 4-6, 7-5; Dick Davey whipped Ely 6-4, 6-1; Bob Opiteck took Mosier 7-5, 6-2; and Elwood Leslie breezed by Ward 6-2, 6-2.

In the doubles the Hurons did not fare as well, but nevertheless, picked up the one victory necessary to win. Number two men Davey and Brose were the "scalp-savers" via a 6-4, 6-2 victory over Darbee and Ward.

On Tuesday, in what Coach Russ Bush called, "Our best meet all year long," the Hurons avenged one of their two previous defeats by taking the Tarters of Wayne. The two teams split in the singles matches with each side managing three wins. Victors for the Hurons were Martian over Gilbert 2-6, 6-3, 6-2; Davey over Barrow 6-2, 7-5, and Opiteck over Schane 6-4, 6-3. In losing causes, Siedl lost to Steigerwald 6-8, 6-2, 6-1; Brose to Hayes 8-6, 6-1; and Alan Moore to Spanberger 6-1, 6-2.

After Seidl and Brose had dropped the first doubles match 6-2, 6-2, the Hurons pulled themselves together and took the deciding two matches, both three set affairs. The Martian-Davey combine turned back their opponents 4-6, 6-3, 7-5. In the final match of the day, Opiteck and Leslie defeated their foes 4-6, 6-4, 6-3.

The netters next match is with the University of Detroit here this Friday.

JOE SIEDL volleys against Central successfully in his victory over Sweeney 1-6, 6-3, 6-4.
